Cleaning Teams Sign-up!

Last summer, the parish initiated an effort to coordinate cleaning of the church in teams twice per month. The endeavor has been hugely successful, with 'sharing of the workload' making it easy for individuals, families, or teams of friends help with this important work while not overburdening any one group. Sign-ups for the new schedule, which runs July—June, will be available shortly. Please consider taking just one week out of the year to help keep our church clean!

With the arrival of spring, the Gardening Committee is looking for a few volunteers to help maintain the flowers and bushes around the church. The duties include pulling weeds, trimming, removing debris in the flower beds, and anything else necessary to keep the church grounds looking lovely. No mowing or watering is required. This is an independent service, so come when you can and stay as long as you like. Many hands will make light work! Please sign up in the vestibule.
