My dear parishioners:

It has come to my attention that the so-called “Coalition for Cancelled Priests” will be having an event in Bozeman in September, the purpose being to raise funds for the organization that is providing priests for schismatic Masses that are taking place in our valley, about which I have previously spoken. The keynote speakers are two men who have both made multiple public statements contrary to the Catholic Faith, one of whom is a priest who has been removed from ministry by his bishop. I discourage you from participating in this event, which fosters division in explicit disobedience to our bishop.

—Fr. Eric Gilbaugh

Classical education in the Catholic tradition

Periodically, St John Vianney parishioners ask about how to identify businesses owned by fellow parishioners. They might be looking for a plumber or dentist, for childcare or window cleaning. To date we have not had a system for facilitating connections between services and customers, but the possibility is being explored of having a system on the parish website. This "system" could be as simple as names and phone numbers of businesses. If you are a website-savvy person who is willing to set up and keep current a 'Business Bulletin Board' on the SJV website, please e-mail the office at sjvbelgrade@gmail.com.

Why First Saturdays?

The devotion to Five First Saturdays was specifically requested by Our Lady at Fatima.

The following is abbreviated from Aleteia.org.
Read the entire article at:

<https://aleteia.org/2016/05/07/5-things-to-know-about-first-saturdays/>

"If the Church has accepted the message of Fátima, it is above all because that message contains a truth and a call whose basic content is the truth and the call of the Gospel itself. "Repent, and believe in the gospel" (Mark 1:15): these are the first words that the Messiah addressed to humanity. The message of Fátima is, in its basic nucleus, a call to conversion and repentance, as in the Gospel." ~ Pope St. John Paul II

A more recent practice in the Church that is lesser known and is often confused with the First Friday devotions is the observance of the five consecutive First Saturdays in reparation to Our Lady. It is a separate devotion that was specifically requested by the Blessed Virgin Mary for the troubling times that we live in. Connected to the visions of Our Lady in Fatima, Portugal, the central theme of the devotion is repentance, conversion and reparation. To help us better understand this "new" devotion in the life of the Church, here are five things to know.

1. How did the First Saturday Devotion begin?

Saturdays have traditionally been a day to honor the Blessed Virgin Mary for many centuries, but it wasn't until 1925 that the First Saturday devotion was revealed. On December 10, 1925, the Blessed Virgin Mary appeared to Sister Lucia at a convent in Pontevedra, Spain. Sister Lucia had previously been the recipient of Marian visions in Fatima, Portugal, along with her cousins Jacinta and Francisco. In this new private revelation eight years after the visions at Fatima, Mary requested the institution of the five consecutive First Saturday devotions in reparation to her Immaculate Heart.

Read the rest of the article at Aleteia.org (see the full URL above) which answers the remaining questions:

2. Why five consecutive months? 3. What am I supposed to do on First Saturdays? 4. What are the "promises" connected to this devotion? and 5. Are the First Saturdays just another "ticket" to heaven?
